

Enabling UK Government Department's Journey to the Cloud

London, June 2, 2017 – Engage ESM are pleased to announce that we have extended their Cisco CloudCenter (ClQr) G Cloud offering to include Cisco product subscriptions. As a Cisco ECS Software Integrator partner, Engage ESM also have the capability to re-sell Cisco Cloud Center as an ELA.

Cisco CloudCenter - Hybrid Cloud Management platform

Deployed in multiple UK and US government agencies; Cisco CloudCenter solution is a hybrid cloud management platform that securely provisions infrastructure resources and deploys application components and data in more than 19 data center and private and public cloud environments and regions.
